

NORTHERN SELF-SUFFICIENCY ON THE ISLAND OF GISLØY

Northern Guiding Service LAURI is a Norwegian-Finnish small travel industry company to fulfill the needs of groups, businesses and solo travelers. We offer you a Northern Norway, Sweden and Finland - knowing, qualified and experienced guide for shorter and longer guidings. When needed, we will gladly help you planning your trip. Don't hesitate to contact us!

Northern Guiding Service LAURI offers you a safe and comfortable way to get to know the northern parts of the Nordic countries, the routines and celebration, history and present, nature, culture and everyday life.

You can follow us on Facebook and on Instagram. We share recent news and photos and interesting facts about self-sufficiency lifestyle, birds, whales, mushrooms and the history of our vicinity.

Are you interested in private guiding, course, or maybe a custom-made program for a bigger group? Email us so we can plan together the most suitable packet for you!

GUIDINGS

We offer you safe, cozy and easygoing possibilities to get to know the northern parts of the Nordic countries.

Our guide will join you at your preferred location and will be with the group the agreed time.

Our destinations in northern Norway are fishing villages and nature sites; Lofoten, Vesterålen, county of Tromsø and Ruija, also the fjelds of northern Finland and Sweden.

Theme trips, for example riding, hiking, fishing and whale safari are also possible.

You will get all the help you need when searching for accommodation or eatery.

We are never in hurry. There's always time to take photos and enjoy the full experience of moments.
